Abstract: The Department of Education (the Department) is seeking an extension of OMB control number 1845-0147 for the collection of URLs hosting institutional contracts and contract data relating to campus banking agreements. The regulatory sections for this collection include 34 CFR 668.164(e)(2)(viii) and 34 CFR 668.164(f)(4)(iii)(B), are unchanged. The Department and the public have a strong interest in knowing the terms of marketing contracts of the millions of students receiving millions of dollars in Federal student aid. The Higher Education Act of 1965, as amended (HEA) strongly supports providing important consumer information to students and the public, as evidenced in several parts of the law. The increased transparency will help ensure accountability and encourage institutional practices that are in the interest of students.
